

What's the Economy for, Anyway?

March 5, 2010 post-film discussion

Films of Vision + Hope

3/5 Reflections
What's the Economy for, Anyway?

work is
love made visible
Community
Building

Media (is a corporation)
playing role of
maintaining ignorance
- covers up real

- Don't get
(+) stories

Corporation vs
Individual

↳ Tickle Down Effect

- ↳ Ignorance
- ↳ Key - view and understand each other
- ↳ Young people should be paid to experience life for 2 yrs. helps kids to be more informed

Family
Bring people
together
Extended family
- discuss sustainability
- World of Conservatives
- open community
- value to gather
- very genuine
- Forces of evil
- Most people have more in common
- Nice People

Consensus about
Values
Population (over)
Resource problems
Infant mortality ↓
= people reproduce ↓
Further Capitalism

Not a question
of values
- Disagree - how to
get there
Individual is greater
good

How to reach happiness?
Canter - Lib

Challenge:
↳ Stimulate ideas to move forward
↳ What can we do to move forward (fun)

To Repair / Care

- ↳ Lots of problems
happens
- ↳ HC Transportation be a game
- ↳ How to shrink health gap?
- Evolve Emptily

To Care:

↳ Gross domestic
happiness measure - How?
passage of PA - How to
attend/grow?

Research

- Impacted to people
that we are around
- Create chances
for people to know
- Everybody in need
of 3rd place - are
you self
- Hangout contributes
to gross happiness

- Genuine Progress Indicator

- Trick - How to Δ mindset

- Think seriously about (+) attractive

- Non made economy - Remedy of local strategies
- Real Models - to be emulated
- Farmers market
- Build social ties + another economic
network

Fear

- ↳ going up risks
- ↳ Time Issue
- ↳ Afraid to retire, move job
neighbor, etc..
- ↳ permeate fear in society
for control
- ↳ we try to counteract

Break:

- Sport Level
- protects health of
nation
- change stress
- Trust for strength
of nation

Millennium
Generation
↳ Very
Active
Kids
they connect differently
we don't have
a clue about
inter-change for younger
people (Embrace
this)

The Coffee
Party - 60,000
non-political, values
not those of Tea Party
gaining traction
↳ Values

Central Square
place to talk be
part of community
Urban Spaces
(use of)

3/3 - getting started

Share values
looking for (+) momentum
need each other, are connected

People in
country, ready
to fight for what
they want
Divide is
concerning

(+)
Living by example
Share - how life made
better

- Spreading impact on others
- Commentators - almost never
a suggestion of specifics
- Teach to listen, have fun
- Setup Successful Situations
- Gross National Happiness, GNI

Country founded in Trust/Conversation
places to chat, come together

you're groups - many interactions
bring ppl into active
participation

Need
Physical connection
Laughter
